Welcome to HOHENSTAUFEN

You can take our word for it!

For over 100 years, youth hostels have stood for values that make life richer. For all those who go through life with their eyes wide open. For those who want to experience community, who approach others, who are courageous, or even adventurous at times. Because young people don't need to be cosseted if they have a backbone. The only time we'll twist and turn is for sports, or with laughter. Because we're enviable lovers of life.
